

## **NODAHO BOW CLUB**

By Glenys Morrow  
Secretary

Archery people love their sport, which was very apparent at our April 8<sup>th</sup> 3-D shoot. The temperature was 17 degrees Easter Sunday morning and the wind was 15-20 miles an hour. Our club would like to thank the 55 shooters that braved the weather conditions to attend. We had 11 shooters in the cub classes. The Easter Bunny left silver dollars in plastic eggs for all of the cub shooters.

The results are as follows:
